Southwest Parkway Lane Closure

Wichita Falls, Texas - On Thursday, May 9th, beginning at 9:00 AM the far right-hand lane of Eastbound traffic on Southwest Parkway will be closed in front of The Parkway Grill.

The two left-hand lanes will remain open to traffic. The Westbound lanes will not be affected.

The lane closure will allow City Water Distribution crews to safely replace a water tap.

The closed Eastbound lane will reopen as soon as repairs are completed.
